COSA

ATOM

- The Advanced Trainee Oncology Meeting (ATOM) is a unique educational event for Medical Oncology Advanced Trainees with a program developed by trainees.

The ATOM program provides a comprehensive review of current oncology practices and includes presentations on topics not covered in traditional meetings.

REGISTER This is a FREE event.

To register your attendance please complete the online registration form

[CLICK HERE TO REGISTER](#)

Please note attendance is not guaranteed until written confirmation is received from COSA.

TRAVEL

For trainees based outside of Melbourne, travel support is available. Please complete the relevant section of the registration form.

REGISTRATION CLOSES (unless the event reaches capacity beforehand):

Wednesday 19 February 2020 (if travel is required)

Tuesday 10 March 2020 (if travel is not required)
